PRACTICE INFORMATION

The table tennis centre may only be used for practice during opening hours of the Kingborough Sports Centre (KSC) and when there are no official STTTA activities (e.g. rosters, tournaments). All children must be supervised.

All players must report to the KSC Front Desk upon arrival and present their practice pass OR pay the KSC Front Desk \$8.50 per hour. They must also report to the KSC Front Desk when they leave so that the table tennis centre can be locked.

All persons, whether playing or not, are to change into clean, non-marking, soft-soled shoes before walking onto the courts, in order to prevent damage to the Taraflex flooring. Only table tennis games are allowed on the courts. No food or drinks are permitted on the courts.

The table tennis centre is monitored by CCTV.

STTTA official sessions are on Friday mornings and Sunday afternoons; casual players are welcome to join these sessions on payment of \$4 if there is a Duty Officer present in the table tennis centre; otherwise they must pay the KSC Front Desk \$8.50.

It is economical to take out a practice pass if you want to practise more than on the odd occasion during the year. If you play in STTTA rosters you are entitled to a discount rate pass; if not the standard rate applies. Family passes are valid for up to four members of the holder's immediate family playing at a time, and not monopolising more than one table when the centre is crowded.
