

## Personal Details

Your personal details are entered on the STTTA database, securely stored, and only used for official STTTA purposes such as providing you with information relating to your indicated interests (rosters, championships, umpiring, social events etc.) and newsletters. Only your name, date of birth and postcode are provided to Table Tennis Australia (TTA). TTA issues your National ID number, which is required on all championship entry forms. Roster lists are on public display on the notice board in the Table Tennis Centre and only show your name and STTTA designated phone number (as given under 'Personal details'). Emergency contact and health details are also securely stored and are only accessible by the official Duty Officer or Kingborough Sports Centre (KSC) staff in the case of an emergency.

## Membership Categories

To meet insurance requirements, everyone who has played on more than three separate occasions in a calendar year in any capacity, including reserves, must take out membership of STTTA, as must guest players who are current financial members of an ITTF affiliated association and have paid membership fees elsewhere, including insurance.

A membership card will be issued on payment.

## Practice Passes

Practice passes can be purchased anytime and expire at the end of February. Practice passes may be used when the Centre is not taken for official events such as rosters and championships. Players receiving private coaching must hold a practice pass, as must the coach. Prices are based on the period in which they are issued, as follows:

Month of Issue

	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb
Standard Individual	90			67.5			45			22.5		
Standard Family	120			90			60			30		
Discount Individual	30			22.5			15			7.5		
Discount Family	50			37.5			25			12.5		

Standard Passes include social membership. Discount Passes are for STTTA roster players who play in at least one complete roster or fill in at least 10 times as a reserve during the year (these players contribute financially through their roster fees). Family Passes are for up to four named members of the holder's immediate family. The holder of the Family Pass must be an adult. An adult must supervise children. Your player card will indicate whether you have a practice pass. A condition is that each time you practise, you must show your pass at the KSC front desk and record the pass number in the KSC register.

## Conditions

The Committee and roster organisers are voluntary and we rely on your cooperation and help.

- On arrival, pay your nightly roster fee to the duty officer. Fees must be paid before 7.30pm.
- Change into clean non-marking soft-soled sports shoes in the centre before walking on court. This is to prevent grit and small stones damaging the expensive Taraflex flooring.
- Before leaving, remove litter and check for personal possessions. Return all equipment to the office.
- Report any damage or unacceptable behaviour to a Duty Officer or Committee member, or if none of these is present, to the KSC front desk.
- If you have used the kitchen, leave it clean. (When closing, all food is placed in the fridge, bin placed outside, chairs stacked outside the office and the door locked by the last person to leave.)
- Show your practice pass to the KSC front desk whenever you practise, *including Friday morning and Sunday afternoon official practice sessions*, and make sure your pass number is recorded in the KSC register.
- Do not use the robot without permission from the roster organisers or the robot manager. You are not permitted to use the robot without training.
